<p>Babysitting 101 Allison Neckers</p> <p>Ages 11-15 as required by Red Cross. Babysitting is a great way to earn money, and it's important to be prepared for all the adventures you may encounter. During this Program, you will receive the 12- hour Red Cross babysitter certification course. In addition to having honed babysitting skills, you will graduate Pediatric CPR, First Aid and AED certified. You will also receive water safety training so you can take your babysitting clients to the pool. Then we will create your babysitting portfolio! Your "babysitter's bag of tricks" will include numerous activities to entertain kids, you will role play various babysitting scenarios and create a resume, flyer and business cards. Don't miss a great opportunity to prepare for a summer of babysitting. <i>Material fee - \$75</i></p>	<p>Extreme Building Molly Knutson</p> <p>Put your imagination to use, and build whatever you feel! Each day, you'll have the option to build with legos, K'nex sets, sheets, boxes...basically anything you can get your hands on! You'll have the freedom to let loose and build! School is out, so let's start building. <i>Material fee - \$20</i></p>	<p>Fairy Camp Lilly Miller & Chris Brudzynski</p> <p>Calling all mythological lovers! Come spend the week making fairy gardens, doing scavenger hunts, having fairy tea parties and more! We'll explore famous fairies as well as create our own fairy identities! <i>Material fee - \$20</i></p>
<p>Rube Goldberg Extravaganza Julie Kessler</p> <p>Programmers will explore the wild and wacky world of Rube Goldberg through cartooning, dioramas, simple machines, and, of course, building actual Rube Goldberg machines! Our inventors may need some time to blow off steam running around outside or in the swimming pool, but will also have plenty of time to tinker and build the craziest inventions imaginable and accomplish any mundane task available! <i>Material fee - \$50</i></p>	<p>Cooking Around the World Kelsey McGuckin</p> <p>Do you enjoy food and cooking? Come along for a culinary experience that will take you around the world. We will be creating delicious meals, while learning important cooking techniques. We will start each day by being inspired by some specific countries delicacies, and then set out to recreate our very own culinary masterpieces. Learn how to cook and prepare delicious food in a fun setting. <i>Material fee - \$25</i></p>	<p>Nerf Fun Jon Gottesfeld</p> <p>It's on! This camp will be all about the joy and safety of playing exhilarating games (dodge ball, capture the flag, elimination, and more) with Nerf guns. Come and join the fun. <i>Material fee - \$15</i></p>
<p>Extreme Fun Donna Meallet & Sig Hartman</p> <p>Calling all extreme campers! It's that time again to come out for another fun-filled four weeks of non-stop action with Extreme Fun. Excitement will be lurking around every corner: Elitch Gardens, Extreme Challenge, Jump Street, Laser Quest, Apex, Alpine Slide, and much, much more! School is out and now it's time to play! *The activities listed are examples of the places we will be going to over the four weeks. Each week will be different and will not include all of the activities listed above. Some of our more favorite activities may be repeated. You will be given a weekly agenda at the start of each week. <i>Material fee - \$60</i></p>	<p>Minecrafting Andrea Lauder</p> <p>Are your parents tired of hearing you talk about Minecraft? Do you wish you were surrounded by other people who love Minecraft as much as you do? Join other Minecraft enthusiasts as you play Minecraft all morning long. Discuss Minecraft. Wear your Minecraft t-shirts and be extra cool. Minecraft! <i>Material fee - \$5</i></p>	<p>Tiny Houses Valentina Reiling</p> <p>Calling all budding architects, interior designers and all-around creative builders. In Tiny House Camp, each camper will receive a dollhouse to turn into their dream house, a superhero lair, a fairy castle, a haunted mansion . . . the possibilities are endless! Throughout the week, we will create plans and design our houses from top to bottom: paint, wallpaper, flooring, furniture and accessories. We will even create the people or creatures who live inside the house. At the end of the week, campers will have a one-of-a-kind tiny house to take home and continue their play. <i>Material fee - \$25</i></p>
<p>So You Think You Can Dance Angie Martin</p>		

Dance Camp is a super fun week of dance, dance, and more dance. We will learn and explore at least 4-5 styles of dance during the week. Students will also have the opportunity to create their own choreography and dances. We will perform for each other and host a showcase of our dances at the end of the week!
Material fee - \$15

Outdoor STEM and Tinkering

Angelina Nicol and Andrew Meyers

Students will spend their day tinkering with different student-directed projects that allow them to be creative, scientific, and thoughtful. Rooted in STEM (Science, Technology, Engineering, Mathematics), we will spend time building, exploring, and having an awesome time with science and our imaginations! We will end our day with swimming at the Lowry pool.

<p>Write Around Denver Amy Pregulman</p> <p>Each morning in Write Around Denver, campers will catch the RTD bus in front of Stanley and embark on a writing adventure. This camp is geared for kids who love to write and want time to delve into their own project. Maybe you'll be writing a story about a kid who gets sucked back in time, or creating a comic, or simply collecting your thoughts and ideas that will eventually turn into a story. We write all around Denver to experience and enjoy the different sights Denver has to offer. A few of our past hits have been: The Tattered Cover Bookstore, the I-25 walking bridge, Fairmount Cemetery, the 16th Street Mall, and the Brown Palace (there are stories of ghosts in there!). Several days we will return to Stanley early and take a dip in the swimming pool. We hope you can come! <i>Material fee - \$50</i></p>	<p>Eco Art Kelsey McGuckin</p> <p>Do you love being creative? Then you will love Eco Art! We will be creating beautiful art work from many materials that we normally would put into the recycling bin. We will also venture outside to explore our natural world to help inspire our creations. Come get creative and leave with some eco-friendly masterpieces. Bon appetite! <i>Material fee - \$15</i></p>	<p>Create Like the Masters Kelsey McGuckin</p> <p>This exciting and fun camp is filled with various projects including painting, drawing, and watercolor. Children will learn a variety of artistic techniques, all inspired by famous artists like Van Gogh, Monet, Georgia O'Keeffe, and more. Create your very own Starry Night, or even a Picasso inspired portrait! <i>Material fee - \$25</i></p>
<p>Stanley Service Learning Allison Neckers and Julie Dani</p> <p>Ages 10yrs+ only Wondering how to make a difference in the world? Discover your passion for volunteering! Last summer our group impacted over 1,200 people through our volunteer work... all in one week! Join us as we explore a variety of service learning experiences around the Denver metro community. Each day we will support a new non-profit focused on a different mission. Filling back up is an essential part of giving! We will celebrate our hard work with swimming throughout the week and at the end of the week we will have a fun outing to help us unwind! <i>Material fee - \$40</i></p>	<p>Born to Run Lilly Miller & Chris Brudzynski</p> <p>Calling all campers with an interest in running and fun. Whether you are an experienced runner or new to the sport, join us for a fun filled week of exploring Lowry on foot. We will learn about healthy running nutrition (making post work out snacks), have cool down swims in the Lowry Pool, and build our running community! <i>Material fee - \$15</i></p>	<p>Pet Watchers Lilly Miller & Chris Brudzynski</p> <p>Do you love pets? Ever wondered how to make dog treats or what a turtle needs to stay healthy? Come learn how to care for pets, and play with some, too! We'll walk dogs, bake treats and visit a shelter! <i>Material fee - \$15</i></p>

<p>Master Makers 2.0 Monica Aiello & Tyler Aiello</p> <p>Join award-winning EUREKUS for an exciting week of STEAM and Maker discovery! Art meets engineering as campers delight in creating with exciting technology. Learners have a blast enhancing their designs and inventions with electronics, motors, LEDs and more. Design a mini-LED terrarium, create your own electronic instrument, build a glowing lantern and make a hi-tech stuffed animal. Campers have a ton of fun creating with our visiting artist mentors while gaining important STEAM knowledge. And cool off with some fun swimming breaks! <i>Material fee - \$50</i></p>	<p>MindDance Coding: Video Game Design with Scratch MindDance Staff</p> <p>Kids learn to code by creating their own video games. Each camper works with a school laptop and with Scratch, an MIT-developed computer programming language for young people. Participants begin by creating classic games like Pong, Pac-Man, and Brick Breaker. Then they invent new games of their own. Three MindDance teachers provide inspiration and support as kids create and share their work. Participants experience a warm and social learning community that is hands-on, challenging, and fun. The Scratch programming language is free and web-based, allowing campers to work on their projects from home, long after camp is over, and to publish their work to the Scratch website. MindDance is in its 7th year of offering summer camps at Stanley. The camp is great for beginning and experienced coders, and many sign up for multiple MindDance camps. The 3-minute Scratch video at MindDance.com/v1 and the 3-minute Code.org video at MindDance.com/v2 show the joy and value of learning to code. Questions? Email info@MindDance.com. No Material Fee. <i>Material fee - \$0</i></p>	<p>MindDance Coding: Inventing with Computers MindDance Staff</p> <p>Kids experience the fun of combining coding and engineering. Each participant works with a school laptop and with Scratch, an MIT developed coding language for young people. Campers use Scratch to create their own video games, musical devices, and interactive art. To connect Scratch with the physical world, campers work with the MicroBit from the Educational Foundation. Using this tool and other supplies provided by the MindDance team, the campers can build their own controllers that will integrate with Scratch and their created projects. Canvas and La Croix

Aya Schickel

Each day we will PAINT a masterpiece on canvas while we sip La Croix, everyone's favorite summertime refresher! One day we will paint a portrait, the next a landscape, the next an abstract and so on.... We will explore a variety of artistic methods, learn about famous artists and have Art Choice each day: drawing, chalk art, collage, junk sculpture, etc. Come find your inner artist! Each afternoon, we will enjoy some time cooling off in the pool. At the end of the week, we will have an Art Show to display our creations.

Material fee - \$50

Hogwarts

Jane Hile

Ever wish you could be a student at Hogwarts? Now is your chance! The magic begins the moment you receive your letter of acceptance. Visit Hogsmeade and Gringotts so you can shop for supplies. Finally, you'll arrive at the Great Hall for a sorting ceremony and the fun really begins. Classes will include; Potions, Herbology, Arithmancy, Astronomy, History of Magic, Divination, Care of Magical Creatures, and of course, Quidditch. We will repeat some favorite activities from past years as well as encounter new magical adventures. Four prefect spots will be available each session for returning campers entering 7th -9th grades. Let the magic begin! Instructors; Professor McGonagall (Jane Hile), Madame Hooch (LeAnne Dudley).

*All seven sessions of Hogwarts are the same. Campers may only sign up for ONE of the seven sessions offered.

Triathlon Training

Molly Knutson

In this camp, we will train like triathletes! Each morning we'll bike around different obstacle courses, followed by some sort of running game/activity (races, capture the flag, etc.) Next, we will cool off and take a dip in the pool. To end the day, our triathletes will create crafts or make a healthy, yet tasty snack to share with one another! Get fit while having fun and making new triathlete friends at this camp!

*Material fee - \$30***Write Around Denver**

Amy Pregulman

Each morning in Write Around Denver, campers will catch the RTD bus in front of Stanley and embark on a writing adventure. This camp is geared for kids who love to write and want time to delve into their own project. Maybe you'll be writing a story about a kid who gets sucked back in time, or creating a comic, or simply collecting your thoughts and ideas that will eventually turn into a story. We write all around Denver to experience and enjoy the different sights Denver has to offer. A few of our past hits have been: the Tattered Cover Bookstore, the I-25 walking bridge, Fairmount Cemetery, the 16th Street Mall, and the Brown Palace (there are stories of ghosts in there!). Several days we will return to Stanley early and take a dip in the swimming pool. We hope you can come! *Material Fee -*
