Summer Camp Is Here

Greetings Summer at Stanley Community,

It is hard to believe but we have spent the last few weeks hiring and scheduling for upcoming summer. We are excited to offer 7 weeks of camp with some new and exciting options. Please check out the brochure, which is now online. It can be found on our school website: www.stanleybps.org.

Last year we served over 1,200 students and look forward to another amazing summer!

**Sessions**

Summer at Stanley will run June 1 - July 24. We will not be running camp during the week of July 4th. We have a wide variety of camp choices in Day Camp and Specialty Camp. Day Camp is offered to students who turn 5 by June 1st, 2020 through age 8. Specialty camp is offered to students entering 3rd-9th grade. Full-day and half-day options are available for Day Camp and Specialty Camp. Extended care is also available from 7:30-8:30 AM and 3:00-5:30 PM.

**New This Year**

Due to some changes in technology, we are excited to be using a new registration program this year called "Camp and Class Manager." This program no longer has families waiting in a virtual waiting room to register. Everyone will be able to access the registration when the registration opens. All families this year will need to fill out the required forms online during the registration process so please make sure to read the instructions before registering. Instructions are available on our website.

**Insurance**

There is also insurance available through ACTIVE Network that is available to purchase during the registration process. This allows for refunds in camp tuition if a cancellation occurs after Summer at Stanley's non-refundable deadlines. It is provided by ACTIVE Network, and not Summer at Stanley so please read the information on the website during registration if you are interested. If you would like to purchase this insurance, it will be available during the registration process. It cannot be purchased after you complete registration.

**Registration Opens Late January**

Registration will open on January 22 at 9 AM. New and returning camp families will have to complete the entire registration process this year. Step-by-step information is available on our website. It is highly recommended to become familiar with the registration process before registration begins. A parent or legal guardian must complete the registration process for their campers. Registrations that are not completed by a parent or legal guardian will be canceled.

**Hogwarts Registration**

We anticipate that Hogwarts will sell out in the first hour of registration. ACTIVE Network has assured Summer at Stanley that camps will not disappear from carts once they are placed in the cart. There is a 10 minute window to complete the registration before losing a camp that is in the cart.
Specialty Camp and Day Camp Registration

Many of the Specialty Camps and Day Camp classes sell out on the day registration opens. It will be important to be online to ensure you get spaces in your desired camps.

Stanley Scholars

In 2020, we will be running our 5th year of Stanley Scholars. For a fee of just $25, students from economically and socially diverse backgrounds to attend a 2-3 week Summer at Stanley session. This includes all programming, swimming lessons, transportation, food, and field trips. We served over 50 campers last summer through our Stanley Scholars program and hope you will consider supporting this program. During the registration process, there will be an opportunity to donate to help support this program. Please reach out if you would like more information about Stanley Scholars.

We are looking forward to another very successful summer! Please do not hesitate to contact us if you have any questions regarding summer camp.

Sincerely,

Sara Stern
