

SUMMER AT STANLEY

January 11, 2021

Summer Camp Is Here

Greetings Summer at Stanley Community,

It is hard to believe but we have spent the last few weeks hiring and scheduling for upcoming summer. We are excited to offer 7 weeks of camp with some new and exciting options. Please check out the brochure, which is now online. It can be found on our school website: www.stanleybps.org.

We are excited to be back in person for 2021!

Sessions

Summer at Stanley will run June 7 - July 30. We will not be running camp during the week of July 5th. We have a wide variety of camp choices in Day Camp and Specialty Camp. Day Camp is offered to students who are entering K-2. Specialty camp is offered to students entering 3rd-8th grade. There are only full-day options available for Day Camp and Specialty Camp. There are no extended care options available this year at this time due to Covid-19.

Optional Insurance

We will be offering optional camp insurance this year. It will be \$40 per camp. This will allow families to cancel camp up to 24 hours before the start of a session and receive a full refund minus the cost of the insurance. If for some reason Summer at Stanley must be canceled because of COVID-19, we will also offer a refund. Insurance must be purchased during the registration process. You will not be able to purchase insurance once your camp registration is processed.

Registration Opens Late January

Registration will open on January 20 at 9 AM. It is highly recommended to become familiar with the registration process before registration begins. **All new camp families will need to fill out the required forms online during the registration process so please make sure to read the instructions before registering. Instructions are available on our website.** A parent or legal guardian must complete the registration process for their campers. Registrations that are not completed by a parent or legal guardian will be canceled.

Like last year, we are using the registration program called "Camp and Class Manager." This program no longer has families waiting in a virtual waiting room to register. Everyone will be able to access the registration when the registration opens. This means that some camps will sell out instantly.

Hogwarts Registration

We anticipate that Hogwarts will sell out in the first minutes of registration. ACTIVE Network has assured Summer at Stanley that camps will not disappear from carts once they are placed in the cart. There is a 10 minute window to complete the registration before losing a camp that is in the cart.

Specialty Camp and Day Camp Registration

Many of the Specialty Camps and Day Camp classes sell out on the day registration opens. With limited spaces this year, due to Covid, we anticipate it could sell out even faster than in previous years. It will be important to be online to ensure you get spaces in your desired camps.

Stanley Scholars

In 2021, we will be running our 6th year of Stanley Scholars. For a fee of just \$25, students from economically and socially diverse backgrounds to attend a 2-3 week Summer at Stanley session. This includes all programming, swimming lessons, transportation, food, and field trips (if safe). We hope you will consider supporting this program. During the registration process, there will be an opportunity to donate to help support this program. Please reach out if you would like more information about Stanley Scholars

We are looking forward to another very successful summer! Please do not hesitate to contact us if you have any questions regarding summer camp.

Sincerely,

Sara Stern
