Greetings Summer at Stanley Community,

It is hard to believe, but we have spent the last few weeks hiring and scheduling for the upcoming summer. We are excited to offer 6 weeks of camp with some new and exciting options. Please check out the brochure, which is now online. It can be found on our school website: https://www.stanleybps.org/site/Default.aspx?PageID=4489

Sessions

Summer at Stanley will run June 5-July 21 (excluding the week of July 4). Please note that the week of June 20 is a four day week in honor of Juneteenth. We have a wide variety of Day and Specialty Program choices. The Day Program is offered to students going into Kindergarten through 2nd grade who have turned 5 by June 1. Specialty camp is offered to students entering 3rd-8th grade. Full-day and morning options are available for both Day and Specialty Programs. Extended care is also available from 7:30-8:30 a.m. and 3-5:30 p.m.

Registration Begins January 18, 2023 at 9 am

If you are a returning camp family, you will be able to log into your account from last year using your password from last year. If you are new to Summer at Stanley, you will need to set up an account and complete the required forms to register when registration opens. Information about the registration process is available on our website. We highly recommend you become familiar with the registration process before registration begins. There is no priority given to returning families during the registration process.

Specialty Program registration opens at 9 am on January 18: Many of our Specialty Programs will sell out the day registration opens. It will be helpful to be online to ensure you get space in your desired programs.

Day Program registration opens at 9 am on January 18: Many of the Day Camps sell out on the day registration opens. It will be important to be online at 9am to ensure you get spaces in your desired sessions. Swim lessons are an option this year for campers this summer in Day Camp and should be added during the registration process. Space is limited.

Hogwarts Registration opens at 9 am on January 18: We are offering 6 weeks of the Hogwarts Program this summer to accommodate the demand for this popular camp. Even so, we still anticipate Hogwarts will sell out during the first hour of registration. If possible, make sure you are online when registration for Hogwarts opens to grab a spot for your child. As a reminder, you may only register your child for one week of Hogwarts.

Insurance

We will be offering insurance again this year. It will be about 10% of the tuition of the camp. This will allow families to cancel camp up to 24hrs before the start of a session and receive a full refund minus the insurance. If for some reason camp must be cancelled because of COVID-19 concerns or under enrollment, we will also offer a refund. Insurance must be purchased during the registration process. You will not be able to purchase insurance once your camp registration is processed.

Stanley Scholars

In 2023, we will be running our 8th year of Stanley Scholars. For a fee of just $25, students from economically and socially diverse backgrounds can attend a 2 week Summer at Stanley session. This includes all programming, swimming lessons, transportation, food, and field trips. We served over 50 campers last summer through our Stanley Scholars program and hope you will consider supporting this
During the registration process, there will be an opportunity to donate to help support our scholars. Please reach out if you would like more information.

We are looking forward to another fun-filled summer, and we look forward to welcoming your children. Please do not hesitate to contact us if you have any questions about the summer program.

Sincerely,

Sara Stern
