A Typical Day for Campers:

A typical day in the Day program will start with a morning meeting for all Day Students. Junior Counselors will then bring a group of students to you for a class that lasts for 65 minutes. Junior Counselors then take campers outside for a snack and recess time.

Next, students attend a second class for 65 minutes. This is followed by a lunch period with time inside to eat and outside to play. After lunch, students are directed to their third class of about 60 minutes.

Finally, students attend a fourth class for about 60 minutes before heading to their cubbies and getting ready for pickup. Some students will take advantage of our Extended Day program coming as early as 7:30am and staying as late as 5:30pm.

A Typical Day for Teachers:

A typical teacher day would start on Monday with introductions at our 8:30 A.M. morning meeting in the cafeteria. You would then teach a class, have a break or do recess duty. Next, you would teach a second class.

Lunch offers an opportunity for a break or lunch duty, before the third and fourth classes take place. At the end of the day, you would clean up the classroom and get ready for the next day. As a teacher, you also have a half day or full day option, as well as the option to have an off period (unpaid) during the day.
