DAY CAMP  2023

TEACHER SIGN UP INFORMATION

Director Welcome

It is hard to imagine that it is time to start thinking about summer already. Last year, we had great success with in-person programming, we are excited to be able to offer in-person camps once again during 2023.

Summer at Stanley is a vital community summer activities program for children from Kindergarten through 8th grade. Our camp offers a Day Program for children entering grades Kindergarten through 2nd grade and Specialty Programs for older kids entering grades 3rd-8th.

Participating as a Day Camp Teacher provides a fantastic opportunity to have a tangible impact on a child’s life and bring energy, fun and creativity to their summer experience. You have the opportunity to work in a relaxed setting with a flexible schedule and competitive wages.

Each year, the number of Summer at Stanley registrations has grown, as more and more families seek to experience our fun filled and engaging classes. We are proud to be one of the most well regarded summer programs offered in the Denver area. I personally look forward to your participation as you create and innovate and engage your students. Thank you for considering this great opportunity.
